

# THE INDIAN VALLEY EDUCATION FOUNDATION HOSTS THE 8<sup>TH</sup> ANNUAL GOLF OUTING

On Friday September 6<sup>th</sup> the IVEF hosted its 7<sup>th</sup> Annual Golf outing at Lederach Golf Course under near perfect conditions. The golf outing has always been a successful fundraiser for the foundation, and this year was no exception. With a total of 94 golfers participating and the generous donations made by local sponsors the foundation was able to raise money to put toward future educational initiatives within the Souderton Area School District.
