

Community Partnership

2024-2025

Supporting traditional public education in the Souderton Area School District since 1992

Because of our Donors, the IVEF can empower students, inspire teachers, and enhance our shared community. From innovative classroom opportunities to inclusive resources that make education accessible for all, your gift creates a brighter future. Together, we are making a difference—one student at a time.

I am deeply grateful to IVEF for helping us create an outdoor learning space for our students that includes a pond! IVEF's support and partnership with local community businesses will provide a unique and enriching educational environment that fosters creativity, exploration, and hands-on learning.

"With the generous donation from IVEF, we put a greenhouse in our garden, which has opened a new world

for so many of our students - a love and appreciation for the importance of gardening, caring for something, and giving back to our community."

Suzanne Thomas, M.Ed.
7th Grade Science Teacher, IVMS

Indian Valley
Middle School

"It takes a caring community to empower our children and support their academic, social, and emotional growth. Through the IVEF and SASD partnership, we expand the educational opportunities for our children beyond the traditional brick-and-mortar school buildings, and draw on the many qualities that make this school district an amazing place to learn and grow."

John-Paul Franzen, Ed.D.
Supervisor of Curriculum, Instruction and Assessment K-12

Student Center
Souderton Area
High School

The VISION

of the Indian Valley Education Foundation is to be instrumental in advancing access to **transformative opportunities that empower every child.**

The MISSION

of the Indian Valley Education Foundation is to **enrich and expand** the educational experiences of **every child** in the Souderton Area School District by leveraging the resources within our community.

Building a Strong Foundation

Philanthropic giving supports students today and empowers the workforce of tomorrow.

Why IVEF?

Supporting the IVEF ensures that every student can access enhanced educational opportunities, innovative programs, and resources that tax dollars alone do not cover. This additional funding builds bridges to support students and teachers by fostering a more prosperous, more diverse learning environment. When our schools succeed, our community thrives.

How does your support benefit your company?

We're glad you asked! In addition to our sponsorship benefits outlined below, your support provides ongoing visibility to students, families, IVEF's community of donors, and an alumni network of over 15,000 people nationwide! Commit today to support our mission and enjoy the rewards and recognition that come with our Sponsorship benefits.
